4.2 Admission of Students with Special Educational Needs and Disabilities (SEND)

The Academy shall ensure that pupils with a Statement of Special Educational Needs or in an Educational Health Care Plan are admitted on an equal basis with others in accordance with its Admissions Policy.

Where the Local Authority propose to name the Academy in an Educational Health Care (EHC) Plan, the Academy shall consent to being named.

The exception to this is where admitting the child would be incompatible with the provision of efficient education for other children, and where no reasonable steps may be made to secure compatibility. In deciding whether a child's inclusion would be incompatible with the efficient education of other children, the Academy shall have regard to the relevant guidance issued by the Secretary of State to maintained schools.

In the event of any disagreement between the Academy and the Local Authority over the proposed naming of the Academy in an EHC Plan, the Academy may ask the Secretary of State to determine whether the Academy should be named. The Secretary of State's determination shall, subject only to any right of appeal, be final.

4.3 The Trust Board Admissions Committee may increase the priority of an application within a category where written evidence from appropriate professional e.g. Social Services/ Medical Consultant etc. is provided at the time of application of an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school.

4.4 The admissions over subscription criteria will be applied on an Equal Preference Basis.

5. Fraudulent Information

5.1 If the allocation of a place has been made on the basis of fraudulent or intentionally misleading information, the governors reserve the right to withdraw the place.

6. In-Year Transfer Applications

6.1 Application should be made through the Local Authority.

6.2 Should the numbers of pupils in one of the years, fall below the pupil admission number which was in operation when the age group entered the school, and there are several applicants, a place will be offered to the applicant who is highest ranked in the appropriate criteria of the Admissions over-subscription policy. If there is only one applicant the place would be offered to that pupil.

7. Right of Appeal

7.1 Where a parent has been notified that a place has not been allocated at the school they have a statutory right of appeal. Further details of the appeals process are available by contacting the college or on the web site.

8. Waiting Lists

- 8.1 If your child has not been allocated a place, a waiting list is available where priority will be given according to the oversubscription criteria based on the information provided at the time of application.

10. Admission to the Sixth Form

- 10.1 Admission number for Year 12 is 350.
- 10.2 For advanced courses, prospective students must have achieved the respective minimum entry requirements. Any additional and specific entry requirements for individual subjects are detailed in course leaflets.

Details of this are in our registration documents and Learning Agreement which all students sign when enrolling in the Sixth Form.

11. Notes

Note 1 - Definition of Catholic

Children who have been baptised as Catholic or have been formally received into the church. (Acceptable evidence is a baptismal certificate or the baptism authenticated/stamped by a Roman Catholic priest)

Note 2 - Looked after children and previously looked after children

A looked after child is a child who is (a) in the care of a Local Authority or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22 (1) of the Children Act 1989).

A previously looked after child who was looked after, but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order) immediately following having been looked after.

Note 3 - Definition of Siblings

Same natural parents living at the same address

Half-brothers/sisters living at the same address
Stepbrothers/sisters living at the same address
Children with the same natural parents living at different addresses

The definition of sibling does not include cousins or families sharing a house. In the case of multiple births where only one/some of the siblings qualified for a place, the affected siblings would all be offered places, even if this meant going above the admissions number.

In the case of a sibling in the 6th Form the student at St Mary's College must have been on roll for at least 12 months prior to any application.

Note 4 – Aptitude in Sport

If applicants are seeking admission under criteria 6, they will be asked to indicate this on the Common Application Form via the Local Authorities web site and the Supplementary Information Form which can be found on the schools website. After the deadline applicants will be invited into school to take the sporting aptitude analysis assessments. This will take place prior to the Trust Board's Admissions Committee meeting to allocate places for the following September.

If more applicants pass than there are places available, applicants will be ranked based on the overall points score, and will be eligible to be put in this category.

Note 5 – Definition of children of other Christian Denominations

Means: children who belong to other churches and ecclesial communities which, acknowledging God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the church which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and of CYTUN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

Applicants seeking admission under criteria 7 & 9 will be required to produce a baptismal certificate or a letter confirming their baptism authenticated by their minister.

Note 6 - Catholic Feeder

This refers to the Roman Catholic Primary Academies within the St Cuthbert's RC Academy Trust and Roman Catholic Primary Schools within the East Riding.

Note 7 - Tie-breaker

Where there are places available for some, but not all applicants within a particular criterion, distance from home address to the school entrance will be the deciding factor, Distance will be measured [by the shortest walking route] from the front door of the child's home address (including flats) to the main entrance of the school, [using the Local Authority's computerised measuring system], with those living closer to the school receiving the higher priority.

If the admission number is reached when two or more applicants reside an equal measured distance from the school (e.g. residents in the same block of flats) the last place(s) will be allocated by lot. Where the application of this rule would otherwise lead to the separation of twins, or multiple birth siblings, both (or all) will be admitted.
