

CACHE Health and Social Care – **Level 2 Technical Award**

Over the 2-year course students will complete:

3 units of coursework which is all internally marked and moderated.

1 short answer exam which is 1 hour 30 minutes.

Dates for exam:

Final Exam 31/01/2022 – 09.00am

Re-sit opportunity is 13/05/2022 – 09.00am

Students must achieve a pass in the exam in order to achieve a pass overall in the course.

Student should be *regularly revising* at this stage to support their **mock exam in December 2021**

This will be supported by additional lunch time sessions directed for revision. Students will be given this information during their form time and via their team years. If they fail to attend, we will be notifying you by text to support their progress.

All coursework must be completed by June 2022 for all 3 units. Students may be asked to attend lunchtime progress support sessions to ensure their success on the course. We ask your support in ensuring that they attend, and that they complete all home learning and coursework set.
