

WELCOME TO 7XF

Hi everyone,

My name is Mrs Lawless and I am a Science teacher at SMC.

In my spare time I enjoy riding my horse and catching up with friends. I also have two sons who like to make sure I am always busy.

My advice to you right now would be not to worry about moving to secondary school. Remember, everyone is in the same situation as you. It won't take you long to settle in and you will get to meet lots of new friends when you arrive.

I look forward to meeting you all soon. Enjoy your summer holidays and stay safe.

WELCOME TO 7XC

Hi Everyone,

I am your form tutor Mrs Wilson.

I work as a Teacher in Art and Design so I hope I get to teach some of you too.

My degree was in Fashion so I love shopping and designing things. I also enjoy jogging, keeping fit and watching football.

I have three Little girls and a new puppy called Rocky so I love being super busy.

My advice to you would be to spend your Summer holidays looking forward to starting St Mary's. I know many of you may be feeling nervous about some things but we know this and will help you feel at ease and prepare you for life in Secondary school once you start. Just be as organised as you can, listen and ask if you need help.

I am really looking forward to meeting you with a smile and finding out about your interests and aspirations.

Enjoy your summer and stay safe.

Mrs Wilson.
